Helping youth and families since 1972

Our entire community benefits when all youth are safe, have stability, and the opportunity to reach their full potential.

YSB helps young people rebuild foundations that have been damaged by poverty, abuse, neglect, and homelessness.

Through six comprehensive programs - Street Outreach, Safe Station Shelter, Safe Place, Young Moms Self-Sufficiency Program, Transitional Living, and Youth Development Services YSB helps youth ages 12-24 find the right tools to build a better future.
